DELOITTE U.S. DELIVERY CENTER

Deloitte Consulting LLP (Deloitte) provides industry-leading consulting services to many of the world's most admired brands. With over 240,000 worldwide associates, Deloitte is ranked among the nation's leading professional services firms in audit & assurance, risk and financial advisory, tax, and consulting services across more than 20 industries.

Deloitte conducted a state and national search for its newest U.S. Delivery Center, which will be focused on developing and implementing emerging technology solutions for a range of private and public sector clients. The U.S. Delivery Center in Gilbert is designed to deliver scalable technology-based solutions efficiently and effectively to meet clients' evolving business needs. The center will provide capabilities for cloud, Salesforce, robotic and cognitive automation, blockchain, SAP and more.

Deloitte will seek a range of information technology driven professionals with diverse backgrounds and skillsets, including knowledge of Salesforce, SAP, software development and analytics. The state-of-the-art center will serve state government clients in the west region and commercial clients in industries including health care and financial services.
